

INTRODUCING

 **Genotropin**[®]
(somatropin [rDNA origin] for injection)

The New GENOTROPIN Savings Program*

In 2016, eligible patients may

Pay as low as
\$0
for your prescription

Now offering
savings up to
\$5,000
per year

**TO ENROLL, CONTACT YOUR PATIENT CARE
CONSULTANT (PCC) AT 1-800-645-1280.**

Visit www.Genotropin.com/PCC to learn more about how your PCC can help you with the insurance process and financial assistance, if eligible.

* Terms and conditions apply. **This card will be accepted only at participating pharmacies. This card is not health insurance.** You will receive a total benefit up to \$5,000 per calendar year. Actual level of assistance will be determined by the Pfizer Bridge Program[®]. If you have any questions about the use of the GENOTROPIN Savings Card, please call 1-800-645-1280 or visit www.Genotropin.com. Pfizer Inc, 235 East 42nd Street, New York, NY 10017.

Who is eligible?

Patients with private insurance and cash-paying patients (those whose prescriptions are not eligible to be reimbursed by any federal, state, or private insurance) may be eligible.

What costs does the Savings Program help with?

The program can be used to pay for GENOTROPIN prescription costs that are not covered by your insurance, such as monthly copays, annual deductibles, or coinsurance payments.

What do I need to do to get my savings?

Simply provide your pharmacy with the information on your card in order to receive your savings.

What if my pharmacy does not accept my card?

Once you are enrolled in the program, you are eligible to participate even if your pharmacy does not accept the savings card. Call your PCC at 1-800-645-1280. Your PCC will give you simple instructions for receiving a rebate.

What if my insurance changes?

Call your PCC at the Pfizer Bridge Program at 1-800-645-1280. Your PCC can research your insurance coverage and help you with financial assistance options, if needed.

What if I still have trouble paying for my prescription or lose my insurance?

Additional assistance may be available if you are uninsured, have been denied coverage, or are unable to afford your GENOTROPIN therapy. You may be eligible to receive GENOTROPIN and supplies for free through Pfizer's Patient Assistance Program. Eligibility criteria apply.

Do I have to re-enroll each year?

No. We'll automatically confirm your eligibility and renew your benefits on January 1 each year.
